# about

**the beginning of successful marketing is the realisation that signage can be used to improve the way your organisation communicates with your clients.**

Fortma Investments (Pty) Ltd is a wholly owned Botswana Company that was established in February 2006, with the aim to provide quality, reliable and competitive products to the Roads & Transport, Packaging, Engineering Plastics and Commercial/Advertising industry and Start-Ups.

We have grown to be the leading distributor through our pursuit of innovation in our respective sector, through polished and improved servicing.

## **Our Promise**

Our goal is to be the voice of customers. Giving a keen ear and understanding their needs. Our walk with our beloved customers has helped us focus our efforts on improving our innovation and technologies to add value to our offerings, thus exceeding customer expectation. Hence our slogan “You can rely on us” giving emphasis on the fact that one can leave it all to our capable hands.

## **Our Target Market**

Fortma Investments (Pty) Ltd. target markets can be broken into the individual sectors and defined as follows:

### **Roads and Transport Sector**

This sector encompasses of government departments, councils and municipalities, Private companies who are responsible for designing , construction and maintenance of road infrastructure.

### **Packaging Sector**

These are organisations that are in the service, fast foods, Manufacturing, Wholesale and retail industries.

### **Engineering Plastic Sector**

These organisations are in the mining, water management, beverages and manufacturing industries.

### **Commercial Graphics/Advertising**

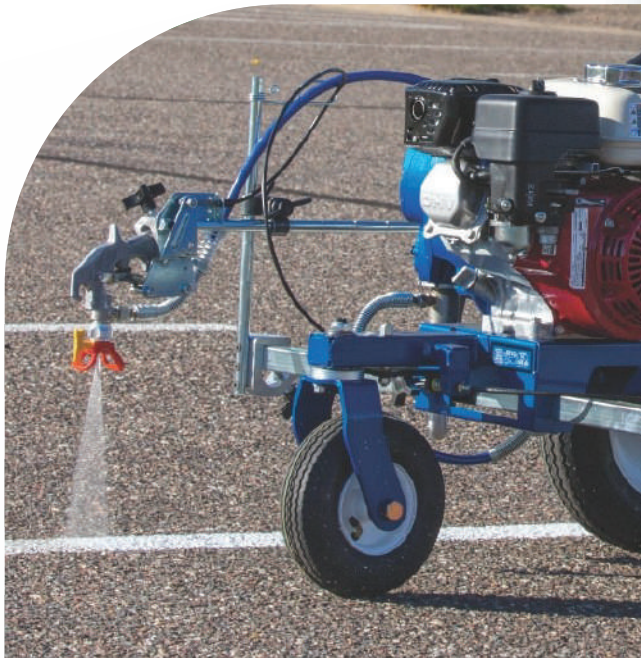

The organisations involve Signage, Vehicle branding, Corporate branding, Billboards, Outdoor and Indoor advertising, Events and Exhibitions.

### **Start Ups**

These include SMEs that is Small and Micro Enterprises that mostly focus on T-shirt printing, and provision of vehicle registration number plates.
