Fortma Investments

FORTMA ROADS DEPARTMENT

www.fortma.com

Fortma Investments is a company that provides a professional road marking service of the highest quality and standard at very competitive prices.

Road Marking Machines

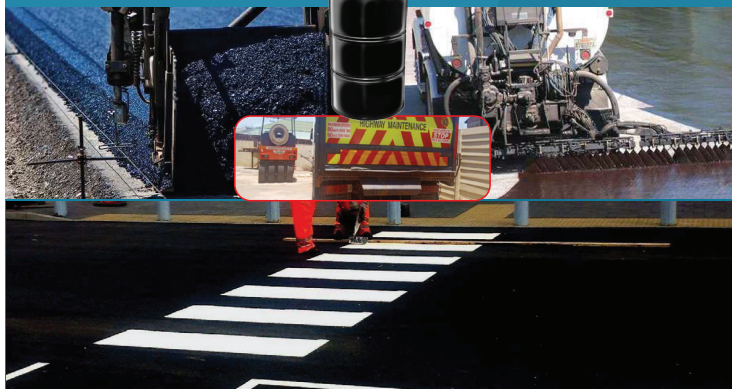

Fortma Investments brings you a wide range of road marking machines. Experienced striping contractors prefer our line strippers to deliver the highest quality and unmatched performance on car parks, intersections, airports, and more. Our Road marking machines - airless striping systems are recognised as solid investments that perform reliably, year after year.

They are now available for **purchase and even for hire**

Equipment Hire and Service

We cater to all your construction works needs and offer you free advice and quotations. Each project will be treated individually to meet the needs of our clients.
